TULSA - 4. Festival Paralel

U saradnji sa Institutom Servantes iz Beograda, predstavljamo Vam španski indie rock sastav - TULSA. Ovaj četvoročlani bend nastao je u Madridu i Bilbau, a predvodi ga talentovana kompozitorka, harizmatičnog vokala, Miren Iza, koja je pre Tulse, u Bilbau imala, takođe uspešan, ženski surf rock bend Electrobikinis. Tulsa kao svoje uzore navodi velikane američkog rock-a, a pevaju na španskom jeziku, pa predstavljaju i svojevrsnu Hispano-Amerikanu. TULSA će nastupiti u okviru muzičkog programa, 4. Festivala Paralel, u subotu, 10.10. u Kulturnom Centru Grad, samo dan nakon velikog koncerta super-benda Tajanstveni voz (Mikser, 9.10.).

Karte u preprodaji 400 dinara, na svim Gigstix prodajnim mestima, a na sam dan koncerta, u subotu, karte će se prodavati od 20.30H, na ulazu u KC Grad, po ceni od 500 dinara.

In collaboration with Instituto Cervantes de Belgrado, we present to you Spanish indie rock band - TULSA. This four-member band was formed in Madrid and Bilbao, and it's led by the talented composer, of charismatic vocal, Miren Iza. Before Tulsa, while living in Bilbao, Miren had a girl riot surf rock band called Electrobikinis, also very popular at the time.

Tulsa's music could be called something of Hispano-American, 'cause the band admires to the great artist of American rock, but sings in Spanish.

TULSA comes to Belgrade as a part of musical program of the 4th Paralel Festival, on Saturday, 10.10. at the Cultural Center Grad, just a day after a concert of a super-band Tajanstveni voz /Mystery train/, in Mixer, 9.10.

This way we'll have two days in a row dedicated to influences of American rock.

Tickets presale 400 RSD, at all GIGSTIX points of sale.
